HISA procedure change regarding removal of horses from the Vet's list as SICK, ILLNESS or INJURY. A horse that is scratched due to sickness, illness or injury will now require an attending veterinarian exam recorded in the HISA portal PRIOR to being eligible to re-enter in a race. Previously these horses had an automatic ?off? date. After July 8, 2024, a horse scratched as sick or illness cannot be removed from the Vet's List until an exam has been submitted by the attending veterinarian. Once this has been completed, trainers will need to contact the PSHRC Test Barn to have the horse removed from Vet's List.

ATTENTION HORSEMEN.

Attention Horsemen: HIWU's testing program includes the testing of selected horses after routine timed workouts/breezes (Post-Work). This testing is separate from Vets List testing. Trainers will be notified of selection for Post-Work testing within one hour of a horse's completion of the breeze. For more information about medications that can be used in relation to a routine breeze, visit the "News" tab on hiwu.org for the latest advisory. For questions, please contact Dr. Mary Scollay at (859) 489-7677 or Dr. Patti Marquis at (816) 516-5641.
