Presque Isle Downs Rules and Conditions for Racing and Training (“Conditions”)

As a condition to, and in consideration for the undersigned trainer (“Trainer”) being permitted to race, work, or train any horse at a Churchill Downs Incorporated (“CDI”) Property, including Presque Isle Downs (“PID”), the Trainer and the undersigned Trainer’s attending veterinarian (“Attending Veterinarian”) hereby agree to be bound by the following Conditions:

1. At all times, a horse must be in serviceable, sound racing condition in order to stable, race, work or train at PID. In the event any horse under Trainer’s care enters a CDI facility and is not registered with HISA (for any reason, including, without limitation, that the horse is not required to be registered under HISA’s rules because it has not yet had its first official timed and reported work), Trainer shall promptly, but in all cases within twenty-four (24) hours of such horse entering a CDI Facility, voluntarily register any such horse with HISA. The Trainer acknowledges that it is his/her obligation to (a) confirm the horse is in serviceable and sound racing condition, in order to stable, race, work or train on a Churchill Facility’s grounds and (b) to inform the CDI Equine Medical Director or his/her authorized designee of any changes in the horse’s fitness or health that would prevent a horse from stabling, racing, working or training on a Churchill Facility’s grounds or any changes which would put Trainer, the Attending Veterinarian, or any horse in violation of these Conditions. Any horse that has not raced within 30 months since its last start shall be presumed unsound to stable, race, work, or train at PID unless approved in advance by the CDI Equine Medical Director. Any horse treated with extracorporeal shockwave therapy, radial pulse therapy, or similar treatments shall not race or work for a minimum of thirty (30) days following such treatment. Any horse six (6) years old or older that has never started shall be presumed unsound and ineligible to stable, race, work or train at any Churchill Facility unless approved in advance by the CDI Equine Medical Director or his/her authorized designee.

2. Trainer will not enter in any race a horse that is a four-year old or older first time starter or a previously raced horse that has not raced in the 365 days preceding the date of the selected race UNLESS horse has completed an official work for the Pennsylvania State Horse Racing Commission (“Pennsylvania SHRC”) prior to entry. Horses of 8 years of age or older as well as horses that have not raced within the one hundred fifty (150) days but have raced within the three hundred sixty-five (365) days preceding the date of the selected race must have an examination performed by Trainer’s Attending Veterinarian to the satisfaction of the CDI Equine Medical Director prior to entry. Based upon this examination, the CDI Equine Medical Director, or his/her designee, may require the horse to work prior to being allowed to enter. If the horse is required to work it must meet the same requirements as a horse that is working off of the Pennsylvania SHRC’s Veterinarian’s List.

3. Any horse that finishes more than twelve (12) lengths behind the winner in their last five (5) consecutive starts, will be ineligible to start in a race at PID. Horses deemed ineligible under this rule may reestablish eligibility in another jurisdiction. Due to mitigating circumstances the owner or trainer of a horse deemed ineligible under this rule may be given one additional start to restore eligibility by appealing the ruling to the PID Racing Panel. All appeals must be requested and approved prior to entry. For the purposes of this rule, the Racing Panel shall be the Racing Secretary, a representative of the

Horsemen’s Group, the presiding State Steward and State Veterinarian, and the CDI Equine Medical Director. Horses granted eligibility under the appeal process will have one start to reestablish eligibility. This rule shall not prohibit the racing association from exercising its right to refuse the entry of any horse that the racing association deems uncompetitive and or unfit for racing.

4. Trainer will not enter in a race any horse that has raced greater than four (4) times in the last fifty-six (56) days immediately preceding the race.

5. Under no circumstances shall an examination conducted by a veterinarian who has NOT been identified as the Trainer’s Attending Veterinarian in compliance with these Conditions constitute a valid examination for purposes of determining a horse’s fitness to race, work or train.

6. PID and the CDI Equine Medical Director and his/her designee are entitled (but not obligated) to contact, without prior notice, Trainer’s Attending Veterinarian to confirm that examinations have been conducted pursuant to these Conditions and that any such examination meets PID’s requirements. PID and the CDI Equine Medical Director and his/her designee shall have the right (but not the obligation) to examine and review all records of examinations performed in accordance with these Conditions, and Trainer agrees that PID or the CDI Equine Medical Director may inspect and copy for each’s own use, and Trainer shall provide upon request, all documents, electronic or otherwise, containing reports by official racing veterinarians of pre-race examinations, post-race examinations (including without limitation necropsy reports) and/or any records of procedures required by regulatory agencies or under applicable industry safety accreditation organizations of Trainer’s horse(s) racing or training at PID.

7. All horses stabled or entered to race at PID, or that are on PID Grounds are subject to: (a) veterinary inspections and requests for veterinary medical records by the CDI Equine Medical Director, or his/her designee and (b) veterinary monitoring. Trainer, Trainer’s staff, and Attending Veterinarians will cooperate fully with all requests made by CDI Veterinary Staff and PID Staff.

8. As used herein, the term “Attending Veterinarian” shall include the undersigned veterinarian and any veterinarian who is a member of his/her veterinary practice.

9. If stabled on PID Grounds, both Trainer and the Attending Veterinarian will abide by all rules and regulations of PID, including, without limitation, House Rules (including those relating to equine welfare and integrity), or other rules (including, without limitation, all rules set forth in PID’s Condition Book, Stall Application, the Rules of the Barn Area, and the Rules of the Track), all of which are hereby expressly incorporated by reference herein. Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.

10. All Pennsylvania SHRC licensees, including but not limited to PID owners, trainers, jockeys, and grooms (“licensees”), participating in stabling, racing, training, and related activities at PID recognize that hazards and risks inherent in such activities may cause the injury or death of horses. Therefore, in consideration of participating in stabling, racing, training, and related activities at CDI properties, all licensees assume the risks of, and

release, hold harmless and covenant not to sue all other licensees so participating for: (i) Ordinary negligence which causes or contributes to loss, loss of use, injury or damage to horses while on the premises of aforementioned CDI properties; and (ii) Ordinary negligence which causes or contributes to personal injury or property damage, including but not limited to loss, loss of use, injury or damage to horses arising from the use of grass fields or gallops owned or controlled by CDI properties, whether arising from alleged acts or omissions of a licensee and its agents or employees, the condition of the premises of aforementioned CDI properties or any other cause. Except as provided above, all licensees participating in racing, training, and related activities at CDI properties shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law. The foregoing provisions shall be construed in a manner consistent with the limitations set forth herein to be as broad and inclusive as permitted by the laws of the State of Pennsylvania and the Pennsylvania SHRC's regulations and shall be binding upon Trainer, its successors and/or assignees. The maintenance by PID of insurance shall not affect the terms or interpretation of this Agreement. For purposes of this Agreement, PID shall mean and include each's officers, directors, agents, employees, contractors, servants and licensees. In the event of any inconsistency between these provisions and the Pennsylvania SHRC's regulations, the Pennsylvania SHRC's regulations shall control. Further, these provisions shall be deemed to be amended to the extent of, and to be in compliance with, any amendment to the Pennsylvania SHRC's regulations.

11. Both Trainer and Attending Veterinarian will abide by all rules and regulations of the Pennsylvania SHRC and the Horseracing Integrity and Safety Authority ("HISA") at any time expressly incorporated by reference herein, and the rules and regulations of the Pennsylvania SHRC or HISA, at any time adopted or as they may be amended (collectively, "SHRC or HISA Regulations"). Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.

12. Any failure by PID to enforce any terms or conditions of this Agreement shall not constitute a waiver by PID, and shall not affect or impair this Agreement in any way, or the right of CDI at any time to enforce this Agreement.

13. PID's approval or consent to any action proposed by Trainer or Attending Veterinarian shall not affect Trainer or Attending Veterinarian's obligation to strictly comply with this Agreement.

14. Both Trainer and the Attending Veterinarian understand and acknowledge that these Conditions shall be in effect annually commencing on the date of the opening of the PID stable area prior to the PID Race Meet (or any successor meet therefor) each year and continuing through the conclusion of the stabling period following the PID Race Meet (or any

successor meet therefor). For Trainers that have horse(s) on PID Grounds, these Conditions shall be in effect from earliest date noted above and for so long as Trainer has horse(s) on PID Grounds.

By signing below, **Trainer** acknowledges and agrees that Trainer (a) has read and fully understands the Conditions and agrees to be bound by them, (b) will consult with Trainer's Attending Veterinarian and the CDI Equine Medical Director if Trainer has any questions regarding such Conditions, and (c) will fully comply with the Conditions.

By signing below, the **Attending Veterinarian** acknowledges and agrees that he/she (a) is the Attending Veterinarian for the undersigned Trainer, (b) has read and fully understands the above Conditions and agrees to be bound by them, (c) will consult with the CDI Equine Medical Director if he/she has any questions regarding such Conditions, and (d) will fully comply with the Conditions.

Any change in the party that will be acting as the Trainer's Attending Veterinarian requires Trainer and the new Attending Veterinarian to submit a fully executed copy of these Conditions to CDI Equine Medical Director.

I have read and agree to the foregoing Conditions as of the date set forth below.

All trainers shall carry compensation insurance covering all of their employees. This paragraph is intended to include all individuals employed by trainers in the training and racing of horses. All concessionaires shall carry compensation insurance covering all their employees.

All common areas and shedrows to the middle of roads will be subject to inspection by management or Stall Superintendent. All areas are to be raked and cleaned.

Eligibility, penalties and allowances of weights for all races, along with preference to the highest earners, will be determined after considering the reports, records and statistics published by Equibase and other racing statistical publications, but responsibility for weight carried and eligibility still remain with the owner and trainer as prescribed by the Rules of Racing.

When a race is in dispute, both the horse that finished first and any other horse involved in the dispute are subject to all penalties attached to the winner of that race until the matter is decided.

If any applicant has in his charge any horse whose name appears on any barred list (veterinarian, starter, steward's or any other barred list at any track), such applicant shall report the name of such horses and the fact that he has been so barred to the Racing Secretary at any meeting within Pennsylvania at which he proposes to enter such horse to race.

Horses penalized in a race shall not be entitled to any allowances in that race.

Horses not entitled to the first allowance in a race shall not be entitled to the second, and if not the second to no subsequent allowances.

Winner or non-winner of a stated sum means winner or non-winner of a single race of that value to first horse.

CLAIMING RULES

Eligible to Claim:

1. Licensed as an owner in the state of PA
2. A new owner who has not held an Owner's License in a racing jurisdiction during the prior year may claim by obtaining an Open Claiming License from the Commission.
(See Rule 305.402).

All claims must be made in writing on forms and in envelopes furnished by the Association and approved by the Commission. Both forms and envelopes must be filled out completely, and must be substantially accurate, otherwise the claim will be void. The determination of what is substantially accurate is within the sole discretion of the Stewards. Notwithstanding designation of sex or age on the racing program or any racing publication, claimant is solely responsible for determining the age or sex of a horse claimed, prior to depositing the claim form. All claims must be deposited in the Claiming Box at least ten (10) minutes before post time of the race with respect to which the claim is made.

305.407 Starting of a claimed horse. For a period of 20 days after the claim, a claimed horse shall not start in a race in which determined eligibility price is less the 25% more than the price at which it was claimed. The claim day shall not count, but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so the horse may start on the 21st calendar day following the claim for any claiming price. This provision shall not apply to starter handicaps in which the weight to be carried is assigned by the handicapper.

305.405 Sale or transfer of a claimed horse. When a horse is claimed, it shall not be sold or transferred to anyone wholly or in part except in a claiming race, for a period of 30 days from the date of claim, nor shall it, unless reclaimed, remain in the same stable or under control or management of its former owner or trainer for a like period. Further, it shall not race elsewhere until the end of the race season in progress or for period of 60 days, whichever shall first occur. The Commission shall have the authority to waive this rule upon application and demonstration that such waiver is in the best interest of horse racing in the Commonwealth of Pennsylvania. Nothing in this rule shall preclude any claimed horse from entering in any non-claiming stake race.

Presque Isle Downs & Casino
FOAL PAPER / DATE PREFERENCE SYSTEM

The Foal Paper/Date Preference System will be used at Presque Isle Downs & Casino as described below. Trainers are responsible for Dates - Preference Dates must be claimed at time of entry. A horse can have only one (1) Preference Date (Except for Z-Dates or where mentioned in Race Headings).

1. **Dates assigned will be of three types:**

1-DATE: An "0" Date will be assigned to a horse whose foal papers are submitted to the racing office prior to the first day that entries are taken. Thereafter, an E-Date will be assigned when foal papers are deposited with the Racing Office. Foal Papers **MUST BE TURNED IN TO THE RACING OFFICE BY 3:00 P.M. TUESDAY, MAY 14, 2024**, to receive an "**0**" **DATE**.

E-DATE: Foal papers turned into the Racing Secretary's Office will receive an entry date for that day, if not coming off a scratch. Also, an E-Date (the day that you're entering for) will be given to any horse entered into any Condition Book race. And, any horse running elsewhere after obtaining this date will lose their Preference Date. It is the trainer's responsibility to notify the Racing Office in such instances.

R-DATE: Horses which are drawn into races, and horses on the ALSO ELIGIBLE LIST which draw in to races, will receive a RUNNING DATE corresponding to the date on which they are to run.

S-DATE: Date on which a horse is scratched from a race. When horses have the same date: E-Dates have preference over R-Dates, and R-Dates have preference over S-Dates.

2. In over-filled races, preference will be given to horses in the order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot, however, where ENTRY and RUNNING DATES are the same, the horse with the ENTRY DATE will have preference.
3. Horse with dates established which re-enter, but do not get in, will keep the date previously established.
4. Horse on the ALSO ELIGIBLE LIST shall be permitted to draw into races in the order of their dates.
5. A horse on the ALSO ELIGIBLE LIST will lose its date if a scratch card is submitted and its number drawn.
6. Any horse which has drawn or obtained a position in a race and enters again on the next day that entries are taken shall be termed an in-today horse and if the race in which the horse is entered overfills, the horse shall be given no consideration whatsoever with the exception of participation in a stakes race.
7. A horse which is a scheduled starter in a cancelled race will receive a **Z-DATE**, and will have preference the next time it is re-entered, unless the foal papers are signed out or the horse runs at another track.
8. Not more than one horse owned by the same person shall be drawn into any overnight race to the exclusion of a single interest. Any trainer entering two horses in an overnight race must prefer the horse with the best date.
9. Horse on the VET'S, STEWARD'S, STARTER'S or PADDOCK JUDGE'S LIST cannot re-enter until removed from such list.
10. Preference dates are transferred through changes in ownership and changes in trainer only after the proper transfer procedures have been completed through the Steward's Office and delivered to the Racing Secretary's Office.
11. Preference dates are good for any type of race or distance with the exception of Stakes and Handicaps, or where superseded by **Z-Dates** or Preference Clauses in race headings. Preference clauses in race headings will supersede **Z-Dates**. (In instance of office error, Preference will be determined at the discretion of the Racing Secretary.
12. Preference dates will not Supercede race conditions or Preference on any race such as; condition eligibility, winner's preference, PA bred preference or any other race condition or preference written for any race.
13. Foal Papers must be turned into the Racing Secretary's Office no later than 11:00 A.M. on the mornings that entries are being taken, to receive any consideration for **E-DATES** for that day's draw of entries.
14. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e., tattooing, corrections, change of ownership or clarification, etc.), the Racing Secretary may determine the status of the Preference Date established.
15. You will lose your date when the Foal Papers are signed out of the Racing Office.

DIGITAL TATTOO

On January 1, 2020, Race Horse Identification transitioned from lip tattooing to utilizing the Digital Tattoo (Picture Horse ID), which is accessible through scanning of the Jockey Club - issued microchip that has been implanted in the horse's neck by the breeder.

The process will be as follows:

- All foals of 2017 and forward must be micro-chipped before the Jockey Club will register the horse.
- Foals of 2016 and older who are not tattooed and who currently do not have a microchip (by January 1, 2020) will need to contact the Jockey Club (800-444-8521) to obtain a microchip. The Jockey Club issued microchip must be inserted into the horse and listed on the foal papers before the horse is digitally tattooed prior to its first race.
- TRPB Identifiers will come to your barn, scan the microchip to pull up the digital copy of the foal papers and verify the markings prior to you being allowed to race. Additionally, the TRPB Identifiers will take a series of photographs of your horse.
- The TRPB identification fee will remain the same: \$106.
