Attention Horsemen- The use of ANY handheld or Audio device is PROHIBITED while the Rider is on a Covered Horse or Pony Horse (HISA Rule 2275)

HISA procedure change regarding removal of horses from the Vet's list as SICK, ILLNESS or INJURY. A horse that is scratched due to sickness, illness or injury will now require an attending veterinarian exam recorded in the HISA portal PRIOR to being eligible to re-enter in a race. Previously these horses had an automatic off date. After July 8, 2024, a horse scratched as sick or illness cannot be removed from the Vet's List until an exam has been submitted by the attending veterinarian. Once this has been completed, trainers will need to contact the PSHRC Test Barn to have the horse removed from Vet's List.
